Jesus meets the need of each disciple. To the fearful in the upper room, He speaks words of peace. To doubting Thomas, He provides the tangible proof of His resurrection. What do I need to become His disciple? What do I have to share that might meet someone else's need?

Are you recycling?

You almost certainly are, thanks to curbside recycling. Have you ever thought about bringing some of those aluminum cans to St. Jude's?

We understand that the aluminum cans support the privilege of having all of our recycling – newspapers and cardboard – picked up at our homes. We are not suggesting you give us everything. But consider splitting your weekly haul of cans with St. Jude's on occasion. There is a large "bin" behind the Parish Center for your convenience. You can drive right up to it.

Thank you for your support! And thanks to all of you who volunteer to deliver the cans to the recycling center each month.

Watch the bulletin for news on our April clothing drive and the chance for you to help with another St. John's Breadline meal.
