

Notes from
Fr. Dean

The Church celebrates the **Solemn Feast of the Most Holy Trinity** today. We profess our belief in the One God revealed in three persons as Father, Son and Holy Spirit. God creates, redeems, and sanctifies. Each time we bless ourselves with the Sign of the Cross, we proclaim our belief in the Blessed Trinity. Next Sunday, the Church honors the Body and Blood of Christ, The Sacrament of Holy Communion.

The **Knowing our Gifts workshop** is for those who would like some help with learning about their own particular set of gifts that God gave them for the purpose of serving others. On **Tuesday, June 8th** at the parish center, you are welcome to come for dinner at 6:30 p.m. The workshop begins at **7:00 p.m.** Using a special inventory tool, you will gain some focus and insight on those gifts or "charisms" that God placed within you that are meant to enliven both your own life, the life of the church and the wider community. This evening's work will help you grow in your self-awareness and equip you to operate within your strengths. To learn more about this evening, contact Dan Frachey (498-9197, ext. 23).

LIMINAL SPACES: Jr/Sr. and College Students

If you are a high school junior/senior or are in college, you are invited to meet at the fire pit at dusk next Sunday, June 6th. The term *Liminal Spaces* refers to those in-between times and spaces of our lives. The purpose of this fireside gathering is to create an innovative setting for our youngest adults to share food and meaningful conversation that addresses current faith questions in order to help us to live as disciples in the light of our rich Catholic tradition. While our context is Catholic, you can bring friends. To learn more, contact Dan via phone, e-mail or facebook (friend up with *Liminal Spaces*)

If you are going to be out of town for vacation or other purpose, you can find the time of Masses available by checking online at www.masstime.org or parishesonline.com.
